Passenger Information Form
Per Cabin

Please fill out and send to
tickets@bruisecruisefestival.com

Ahoy, matey! We're super-excited that you're coming along for the inaugural Bruise Cruise. Before you can get on the boat, we need to make sure we have all the right details about you and your party. Information is being collected on a per-cabin basis, so if there are multiple cabins booked on your reservation, duplicate this blank file and complete it for each cabin. If you booked as a solo Bruiser and DO NOT have a cabin mate, put "solo" in the Passenger 2 Last Name section. If you're going solo, but DO have a cabin mate, please put his/her first and last name in the Passenger 2 section. If you booked a whole cabin, but do not know who you're bringing along yet, put "TBD" in the Passenger 2 section. When you're done, please return each completed form to tickets@bruisecruisefestival.com so that we can make sure everything is ship shape. Thank you!

Lead Passenger Contact is responsible for providing to Bruise Cruise the name, e-mail, phone number, date of birth, country of citizenship, gender, all passport information, and any pertinent health issues/conditions of each passenger on Lead Passenger Contact's booking. Lead Passenger Contact is responsible for making sure each passenger on Lead Passenger Contact's booking receives all relevant information about Bruise Cruise, whatever the source of that information may be, until such time as the above information for that passenger is provided to Bruise Cruise.
